

# Gift Baskets for All Occasions

Gift baskets make the perfect gift for family, friends, business associates, or co-workers. Order your gifts from the Millbank Cheese Factory Outlet Store, which has been providing the community with delicious cheese since 1908. Owned by the local community, Millbank Cheese is located in the picturesque Village of Millbank, Perth County, Ontario. The Village of Millbank which was founded in 1847, is a scenic 20 minute car ride from Waterloo and Stratford, Ontario.

Choose from the displayed selection of gift baskets, or custom design your own basket with a variety of items. Items of choice include all available cheeses, maple syrup, honey, jams & jellies, Wellesley apple butter, sparkling cider, fruitcake and other items.
